Step inside of this amazing home! It has everything you could want and dream of in a home. From double-sided fireplaces in the living room and master bedroom to built in dressers and vanities, this home has it all. The beautiful entryway and foyer lead you to the gorgeous winding staircase where your eyes will be drawn to the gorgeous chandelier hanging from the 20' ceiling. As you walk through you will notice an abundance of features and benefits including triple crown molding, granite tile countertops, gleaming wood floors, brand new stainless steel kitchen appliances, built-in curio cabinets plus custom window treatments and drapes, just to name a few. The master bedroom and bath ensuite are nothing short of perfection. Enjoy your wrap around dual walk-in closets, dual vanities and separate over-sized shower. Additional highlights of this custom built home include: cathedral style doors, double pane windows throughout, french doors, surround sound in family room, massive storage and closet space plus a security system. With such an immense number of amenities, you have to see it for yourself. Schedule an appointment with your realtor today.
